

Threlkeld C.E. Primary School

Our Vision

“No goal is too high if we climb with care and confidence”

Threlkeld C.E. Primary School helps children to:

- Enjoy learning and finding things out
- Learn to like themselves and to respect others and their environment
- Be able to work on their own and also work well in groups
- To do their best
- To learn how to live in a modern world
- To set themselves high standards
- To live a healthy lifestyle

We believe that each child will enjoy:

- A happy, caring time at school
- Help and encouragement from home and school
- A variety of interesting lessons that make them think hard
- Good teaching at the right level for all children
- Lessons which help children find things out for themselves
- Lots of different after-school clubs
- Interesting school visits
- A good selection of books and other learning materials

We work together to:

- Get better in all we do
- Work together
- Find good things about everyone in school
- Help everyone to get better at what they do
