Sports Day

This year Sports Day will be at 9.30 am on Tuesday 6th June. If the weather is wet, then we will try for a reserve day of Friday 9th June. Could parents please bring along deckchairs to sit on and could we ask that children also bring something waterproof to sit on and a T 'shirt to match their house colour (if they have one).

Art Week

There will be an Art week on 26th – 30th June – Parents will be invited in to school to view an Art Exhibition and enjoy coffee and biscuits from 2.45 -3.45 pm.

Sweatshirts

Just a reminder to please check that your child has the correct sweatshirt and that names have not washed out. At this time of year, sweatshirts often spend more time NOT on children and it is essential that there are CLEAR names in at the collar. Please have names in sweatshirts/P.E. kit (also the red hooded tops) and even trousers/skirts/dresses/shoes etc.

Sun Safety and Water Bottles.

Now that the weather is hopefully taking a turn for the better could I please remind you to send your child (ren) with sun hats if the sun is particularly hot. If your child needs sun cream please could you apply it before leaving home in the morning. A high factor should last a normal school day.

Also your child may like to have a small water bottle which they can bring to school each day, refill if necessary during the day and then take home at night for cleaning and refilling. The bottle should be small and MUST be labelled clearly with a waterproof label.

Sainsbury's Tokens

We are still collecting these vouchers. The box is in the entrance hall.
